Agenda Item – Approve minutes from 1/24/07 meeting

- Robert stated that the minutes be amended so that the first bulleted item reads Louise passed out section 5, Violence and Safety from the Healthy Kids Survey.
- Chris motioned that the minutes from 1/24/06 be approved with the changes noted and Tami second the motion.

Agenda Item –Review Safety Plan

- Louise handed out copies of the Safety Plan and each member was asked to read a portion of it and give feed back.
- Robert and Chris questioned the hall pass section of the report. Both wanted to know if in fact RHS enforces the hall pass requirement.
- Nancy stated that we do and that staff has been trained to direct all unidentified adults to the office so that they may check in and get a visitors pass.
- The issue of attendance letters was brought up. Mimi stated that when a student has between 3-5 unexcused absences they should be getting an attendance letter. However she noted that each AP seems to handle it differently.
- Nancy will look into issue and report back at next meeting.
- The point was made that the new teachers probably aren't aware of the procedures for a lock down drill as we have not had one yet this year. Fire drill procedures should also be gone over with new teachers.
- Safety Plan proposed budget: Approve direction for plan.
- Alternate suspension program discussed. With parent consent, students would do volunteer work instead of staying at home.

Meeting adjourned at 4:34 p.m.
