SCIENCE FAIR 2010

PLEDGE FORM

Student Name: _____ Teacher Name: _____

The legendary Redwood High School Science Fair is produced annually by the RHS Science Department and members of the RHS community. Last year's fair was supported by 150+ volunteers! To continue the tradition of excellence at the Redwood Science Fair, the Science Department is planning the 2010 Redwood High School Science Fair. This event will give over 400 students the opportunity to conduct and present an authentic science experiment based on their own design. Direct instruction in support of the Science Fair takes place in Integrated Science 2, 3 and 4. All Integrated Science 3-4 students are required to participate. Additionally, the Science Fair is a required forum for the Honors Chemistry and Senior Research Classes. The Science Fair is open to all Redwood students. The fair is conducted using the rules of the International Science and Engineering Fair. Entries in the RHS Science Fair have the potential to move on to the Marin County Science Fair, The SF Bay Area Science Fair, the California State Science Fair, and The International Science and Engineering Fair.

2010 Fair Hours: **Sat. Jan. 30** (Install and Judging - Closed to the public)
Sun. Jan 31 (Awards Ceremony at Noon; Open to the public 1:00-3:00pm)
Mon. Feb 1 (Open to the public 8a-2:30p)

We need your help to produce this important public display of work from 30% of the RHS student body.

Please review the structure for volunteering described below. If you are able to help please return this form to your student's science teacher or Skip Lovelady as soon as possible.

❑ **Yes, I would like to help the 2010 Redwood High School Science Fair**

Name: _____ **Email:** _____ **Phone:** _____
(please print clearly) **(please print clearly)**

Please Check The Area(s) In Which You Wish To Contribute

* You will be contacted with further information. If you have any questions you may contact Skip Lovelady, Science Department Chair. lovelady@redwood.org

1. ❑ **Judging**. Saturday January 30 from 12pm until approximately 4pm. (lunch and orientation provided).

A science background is preferred. My Background is _____

2. ❑ **Cash Donation**. The Science Fair is produced solely from donations. No funds are made available from either the District or Redwood High School. In addition to miscellaneous expenses, large expenditures include table rentals, a stipend for the director, banners, ribbons, and other prizes.
